PROFESSIONAL SUMMARY

Results-driven finance and business operations professional with proven experience in corporate financial modeling, budget optimization, startup valuation, and venture cash flow management. Demonstrates exceptional analytical skills and strategic leadership in designing unit-economics models, navigating campus micromobility feasibility studies, and executing high-yield capital deployment.

EDUCATION

Bachelor of Science in Finance | **American University of Sharjah (AUS)** Sharjah, UAE | Expected June 2026

- Academic Honors:** Dean's Honor List (Fall 2023, Spring 2024, Fall 2024, Spring 2025).
- Relevant Coursework:** Corporate Finance, Financial Statement Analysis, Investment & Portfolio Management, Managerial Accounting, Quantitative Methods for Business.

PROFESSIONAL & LEADERSHIP EXPERIENCE

Co-Founder & Chief Financial Officer (CFO) | **Campus Wheels** Sep 2024 – Present

- Spearheaded comprehensive financial architecture for an on-demand campus electric vehicle ride service, modeling multi-tier rider subscriptions and per-trip fee structures.
- Constructed a 3-year dynamic financial forecast covering CapEx (fleet acquisition and charging docks), OpEx (maintenance, insurance, student driver compensation), and breakeven milestones.
- Conducted thorough sensitivity analysis assessing variations in battery cycle life, electricity tariffs, and rider volume, presenting pitch deck analytics to university administration and advisory partners.
- Supervised unit economics and managed procurement budgets, lowering estimated operational overhead by 14% via fleet lease negotiations.

Finance & Investment Analysis Intern | **Gulf Capital Partners** Jun 2025 – Aug 2025

- Assisted the private equity team in conducting quantitative market due diligence across MENA clean mobility and consumer tech sectors.
- Built integrated 3-statement financial models and discounted cash flow (DCF) valuations for series-A prospective targets.
- Synthesized macroeconomic and regional benchmark data into concise executive investment memos and LP presentations.

VP of Finance | **AUS Student Finance Association** Sep 2024 – May 2025

- Administered an annual club operating budget of AED 45,000, ensuring complete financial compliance and auditing for 12+ student-led events and guest executive speaker panels.
- Organized equity research and valuation bootcamps for over 150 participating business and engineering students.

KEY PROJECTS

Electric Micromobility Feasibility & Fleet Financing Study AUS Innovation Challenge | Spring 2025

- Formulated a detailed capital allocation roadmap assessing the internal rate of return (IRR) and payback periods for green smart transit initiatives across GCC educational institutions.
